## THE CREATIVE BURGER PEOPLE

Welcome to Burger Theory the burger kitchen run by chefs. We endeavor to bring a little creativity and global inspiration to the world of burgers. We have been creating burgers since 2011 and made our name on the festival circuit. All our food is made with locally sourced high welfare animals, British cheese, locally baked bread and a lot of love! We make most products here on site. We hope you enjoy your experience and our burgers.

**Burgers** – Choose from a brioche, Italian herb, seeded wholemeal or gluten free bun. All buns are dressed with mayo, lettuce, tomato and red onion unless stated otherwise.
