## BURGERS

### HOLY COW!

Our beef is a mix of fresh and dry aged rib cap with a good amount of fat because that's where the flavour is and helps to give that perfect caramelisation on the grill. 5oz patty's are cooked a little pink as standard, if you'd like yours well done, please let your server know. Smashed burgers come well done, but still juicy. An Oklahoma-style smash patty has sweet onions smashed and grilled into it for extra flavour!
