

OUR STORY!

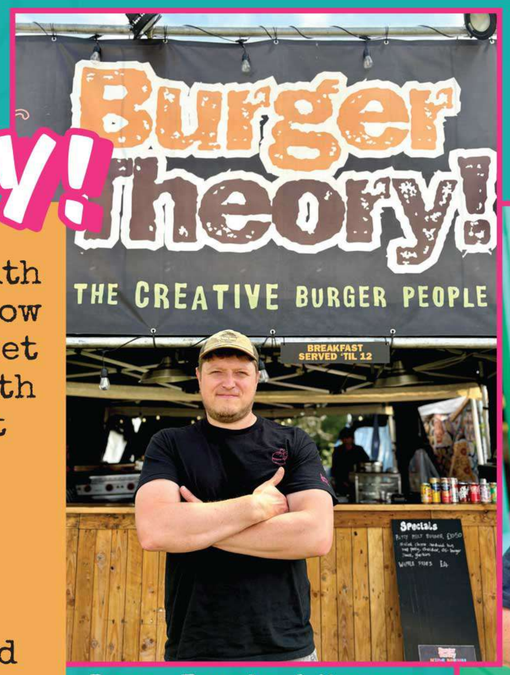

Burger Theory started back in 2012 with a simple mission: make burgers that blow people's minds. It all kicked off with a street food stall, two mates, and a serious obsession with bold flavours and proper ingredients. We weren't interested in boring burgers—these were theory-tested, sauce-dripping, juicy masterpieces!

Since then, we've popped up at festivals, gone to Glastonbury, fed thousands of hungry humans, and kept pushing the limits of what a burger can be. Along the way, we've built an awesome crew, and found our forever home right here in Bristol. Now? We're still flipping burgers, still full of ideas, and still loving every bite of it.

THANKS FOR BEING PART OF THE STORY—NOW LET'S EAT!

SO! WHAT'S THE THEORY?

FROM MEAT TO BUN, WE ARE REALLY FUSSY ABOUT WHAT GOES INTO OUR BURGERS.

Our **BEEF** comes from Bristol Butchery legends Buxton's Butchers who source grass fed west country beef for our specially blended dry aged rib cap burgers which are full of beefy flavour. We salt on the grill so the meat does not dry out, sear to perfection and get that perfect caramelisation every time. You will find smashed, Oklahoma and a chunky 5oz patty choice on our menu.

ASK YOUR SERVER IF YOU'RE NOT SURE WHAT TO GO FOR!

FRIED CHICKEN is a special love of ours and getting the perfect crust and keeping the chicken as moist as possible is an artform we have worked at for years. We use chicken thigh, brined overnight then fried in our signature spiced dredge. Where better to go for **SOFT POTATO BUNS** than Hobbs House bakery, the best in the west.

VEG comes from Hugos who picks up only the best produce. When it comes to sauce our **CHEFS** have got plenty. We pickle and brine, marinate and blend. All of our recipes are unique, and they are what makes our food so special. We believe that if you put enough thought and craft into a burger the end result will be utterly delicious!

BURGERS

HOLY COW!

Our beef is a mix of fresh and dry aged rib cap with a good amount of fat because that's where the flavour is and helps to give that perfect caramelisation on the grill. 5oz patty's are cooked a little pink as standard, if you'd like yours well done, please let your server know. Smashed burgers come well done, but still juicy. An Oklahoma-style smash patty has sweet onions smashed and grilled into it for extra flavour!
